Applying for which semester/school year _____

What college are you planning on attending? _____

What class(es) are you planning on taking? _____

In order to take a class for dual credit, you have to qualify with a 3.0 GPA and be approved by the Principal or his designee before enrolling in the class. If you meet these qualifications, you will be responsible for enrolling/registering for classes at the specified college/university. You will be responsible for bringing an official copy of your grade(s) from the college at the end of the semester to TFCA. TFCA disciplinary policy will apply while students are attending off campus classes. This form **MUST BE** filled out for each semester.

If the student is driving him/herself to and from the college classes off campus and plans to carpool with other students, EACH student who rides/drives must fill out a driver form and be approved before sharing rides. This is a separate form that must be filled out to protect the student and the school.

I have agreed to and understand the above terms for obtaining dual credit at TFCA.
