Mission Statement: The Frankfort Christian Academy partners with Christian parents to provide a Biblically integrated education which equips students to embrace biblical truth, to strive for academic excellence and to exemplify Christ-like servanthood in homes, churches and communities.

The Frankfort Christian Academy is a non-denominational, independent Christian school designed to empower students to embrace a lifestyle that stands firmly for all values consistent with God's Word. At TFCA, we encourage all students to develop a personal relationship with the Lord Jesus Christ. We teach students that the Bible is the infallible Word of God, and we equip our students with a Biblical worldview.

The Frankfort Christian Academy readies its students for each successive step in their academic career. It is our goal to educate the whole child. Our highly qualified faculty delivers a curriculum that is rich, varied, and aimed at helping students acquire knowledge and develop critical thinking and problem solving skills.

The real difference between a Christian school and the public school is philosophy.

TFCA holds a God-centered philosophy of education, one that is based upon the Word of God. The primary objective and purpose of the school is to train students in the way of life presented in the Scriptures while giving them a quality education.
