

We're so excited about our **Royal Adventures** program for the summer of 2016! This high energy, fun-filled summer will be led by our own highly-qualified preschool teachers and staff. We will be offering one preschool class of 12 students—Space is limited!

We will open enrollment on a first-come, first-served basis. Enrollment will be open to current students only until April 22nd, and then we will open enrollment to new families.

Students will participate in project-based, hands on, educational enrichment activities that coincide with the weekly themed subject areas, as well as crafts, games, and gross motor activities.

Royal Adventures is set to provide an unforgettable summer for your kids!

Preschool Director:

Melissa Gross
